Hey there! Congrats on your engagement!

You're probably overwhelmed with all the wedding information out there, but don't worry, you're not alone. I'm here to hopefully help make your lives a little easier during a time that is often unnecessarily stressful for a lot of couples. It doesn't have to be this way!

It is my mission to capture every small detail of your day while you live in the moment. From assisting in building your perfect timeline, to gently guiding you through poses, to capturing moments you may have missed, it's my honor to be your photographer.

Based out of Kansas City, MO., I work with brides all over the globe. If you have a destination wedding, I love to travel!

*With love,
Bryanna*

M E E T B R Y A N N A

I'm BRYANNA, owner and photographer of Milestone KC! I first began to get into photography and videography after taking a journalism class. I was enraptured by the art of storytelling through imagery and ever since that day, I made it my goal to tell the most meaningful stories I could. For me, that passion came from capturing the love between two people.

After graduating from Full Sail University of Florida with a Bachelor's degree in Digital Cinematography, I started exploring the wonderful world of wedding photography under the supervision of other veteran photographers. In 2019, I started my own company in good ole Kansas City, Missouri - there's no place like home! It has been a long but rewarding journey, and one that I'm so grateful to be supported in by family and friends. Especially my lovely partner, Drew, who I am endlessly supported by.

With that said, strap in and enjoy this guide about all things
Milestone KC!

WHAT TO EXPECT

PLATINUM PHOTO + VIDEO

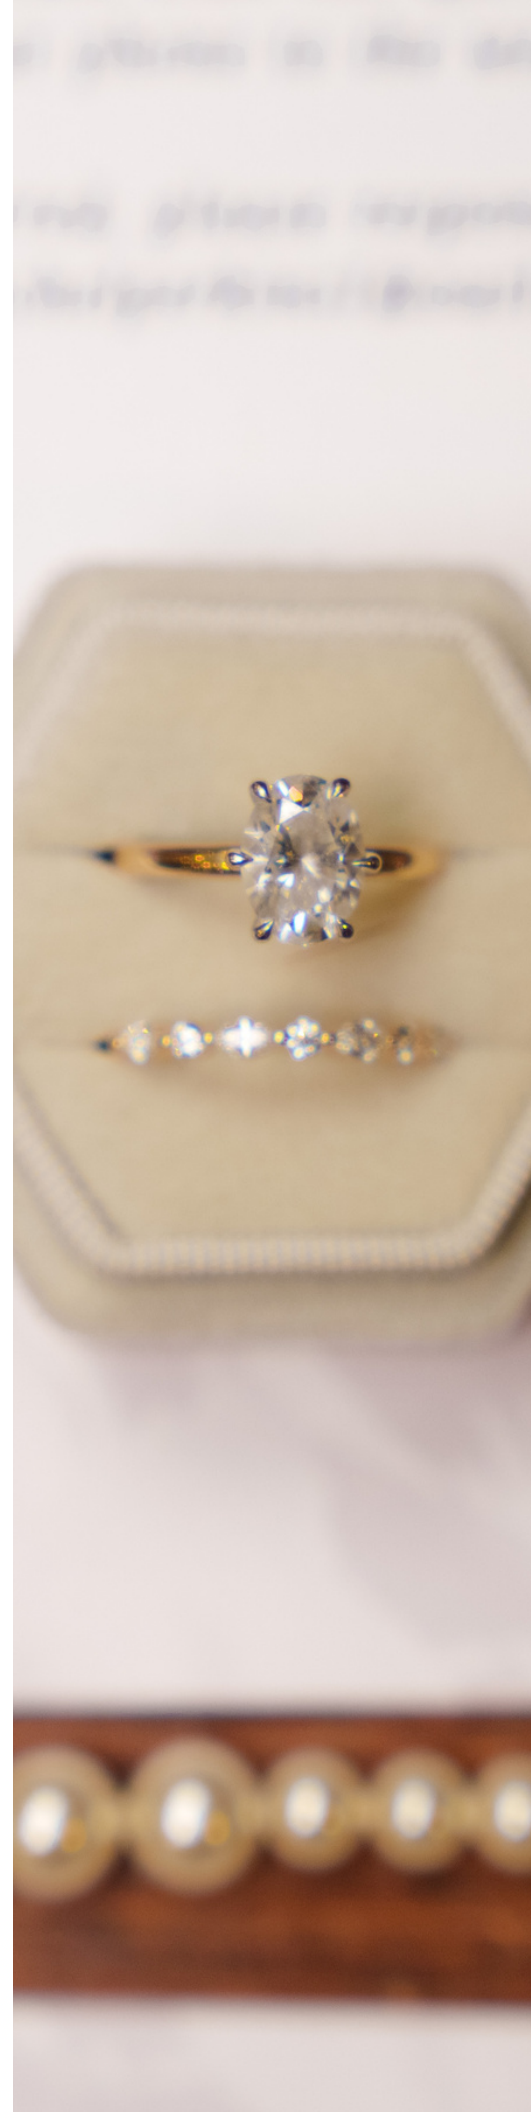

As your lead photographer or videographer, we will have multiple consultations to go over your vision and create a day-of schedule. I also encourage my couples to take advantage of their complimentary engagement session so that we can really connect before the big day. I'm here to help you in location selection and provide styling guidance so you can have the engagement photos of your dreams!

With one photographer (yours truly) and one videographer, it's a great way to document the day as it is. It includes a 2-3 minute highlight reel of the day set to hand-picked licensed music. You will also receive a multi-cam video of your ceremony.

“Well Bry, if you're taking pictures, who's doing video?”

All of our videographers are very talented industry professionals who have been sourced based on their individual style, skill, and performance. They are a perfect extension of the values of Milestone KC, thus making us a match made in heaven!

It is our mission to make sure every aspect of your wedding or event is hand-tailored to show off your unique love story.

WHAT TO EXPECT

GOLD AND SILVER SERVICE

Our gold package is great for couples who have wedding parties of 4 or more and a guest count of 100+! With a full-day timeline, this is the perfect package to capture every detail. It also includes a complimentary engagement session!

Silver packages are great for one location weddings and guest counts well below 100. This package does not include an engagement session or any prints. Couples love to pair this package with a 2nd photographer, and frequently choose to add on printed albums.

DELIVERY + PRINTING

After the hustle and bustle of the day, you can relax knowing you will receive an announcement photo within 48-hours and a special selection of highlight photos one week after your date to announce your marriage! Our standard full gallery turnaround is 4 weeks. If you are also doing a video service with us, your turnaround is 6 weeks.

To ensure you have your memories backed up for years to come, we include a USB drive gift in our final delivery package. And while we do not offer a full printing service at this time, we do offer custom printed albums! This comes standard with our photography service and is 10 spreads (20 pages). You can request it in the form of an engagement album (great as a guest book!) or save it for your wedding album. The choice is up to you!

F A Q

YOU HAVE QUESTIONS. WE HAVE ANSWERS.

WHAT MAKES YOU PASSIONATE ABOUT WEDDINGS SPECIFICALLY?

I have yet to find another aspect of the photography world that I am able to invest as emotionally as I do with my wedding clients. I just love LOVE. I know you've probably seen that on every vendor website ever by now, but it's true! I enjoy going above and beyond for all of my couples because I deeply believe that everyone deserves timeless photos and video of their wedding day.

HOW DO YOU POSE DURING YOUR SESSIONS?

My approach to "posed" images is to provide suggestions on a fun movement you can do, and then I let you play around with it. We'll get goofy. We'll laugh hysterically. My sessions are fun, structurally candid, and personal. I love helping my couples explore their own self-love by showing them all the beauty I see from my side of the camera.

WILL WE GET FEATURED ON YOUR SOCIAL MEDIA?

I LOVE sharing behind the scenes of your day and showing off all your amazing photos, doing shout outs, and overall gushing about your big day! Although many of my couples do get some limelight action, this is not something that is guaranteed. My favorite weddings to post about are ones where my couples are showing off their authentic selves.

DO YOU HAVE A LIST OF PREFERRED VENDORS TO USE?

I sure do! From caterers, florists, and planners, to bridal boutiques and photo booths, I've worked with some of the best companies in the industry & would love to share their information with you!
